INDEPENDENT AUDITORS' REPORT

Board of Directors
African Mission Healthcare Foundation
dba African Mission Healthcare and Affiliate
DeLand, Florida

Opinion

We have audited the accompanying consolidated financial statements of African Mission Healthcare Foundation dba African Mission Healthcare and Affiliate, which comprise the consolidated statements of financial position as of December 31, 2023 and 2022, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of African Mission Healthcare Foundation dba African Mission Healthcare and Affiliate as of December 31, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

We did not audit the financial statements of African Mission Healthcare-Kenya, a controlled entity, whose statements reflect total assets constituting 5 percent of consolidated total assets at December 31, 2023 and 2022, and total revenues constituting 1 percent of consolidated total revenues for the years then ended. Those statements, which were prepared in accordance with International Financial Reporting Standards as issued by the International Accounting Standards Board, were audited by other auditors, whose report has been furnished to us. We have applied audit procedures on the conversion adjustments to the financial statements of African Mission Healthcare-Kenya, which conform those financial statements to accounting principles generally accepted in the United States of America. Our opinion, insofar as it relates to the amounts included for African Mission Healthcare-Kenya, prior to these conversion adjustments, is based solely on the report of the other auditors.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are required to be independent of African Mission Healthcare Foundation dba African Mission Healthcare and Affiliate and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Board of Directors
African Mission Healthcare Foundation
dba African Mission Healthcare and Affiliate
DeLand, Florida

Responsibilities of Management for the Consolidated Financial Statements, continued

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about African Mission Healthcare Foundation dba African Mission Healthcare and Affiliate's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of African Mission Healthcare Foundation dba African Mission Healthcare and Affiliate's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about African Mission Healthcare Foundation dba African Mission Healthcare and Affiliate's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audits.

Notes to Consolidated Financial Statements

December 31, 2023 and 2022

1. NATURE OF ORGANIZATION:

African Mission Healthcare Foundation dba African Mission Healthcare exists to strengthen African mission hospitals to serve people in greatest need. Mission hospitals frequently lack important resources, capacity, or capabilities. In response, African Mission Healthcare works closely with selected mission hospitals in various countries in Africa to identify the resources and support needed most, develop effective solutions, mobilize resources, and achieve the desired results. Solutions involve providing support for critically needed infrastructure and equipment, training and medical education, clinical care, and management advisory services.

These consolidated statements include the activities of African Mission Healthcare-Kenya (AMH Kenya), a tax exempt non-governmental organization in Kenya. AMH Kenya's activities were consolidated into African Mission Healthcare's financial statements beginning January 1, 2019.

African Mission Healthcare is a nonprofit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code (IRC) and comparable state laws. However, African Mission Healthcare is subject to federal income tax on any unrelated business taxable income. In addition, African Mission Healthcare is not classified as a private foundation within the meaning of Section 509(a) of the IRC.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

African Mission Healthcare maintains its accounts and prepares its consolidated financial statements on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America. The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosures of any contingent assets and liabilities at the date of the consolidated financial statements, and the reported revenues and expenses during the reporting period. Actual results could differ from the estimates. The significant accounting policies followed are described below to enhance the usefulness of the consolidated financial statements to the reader.

PRINCIPLES OF CONSOLIDATION

Due to board control, AMH Kenya is a controlled entity of African Mission Healthcare for the purposes of these consolidated statements. These consolidated financial statements therefore include the financial resources and activities of this entity. All significant intercompany balances and transactions have been eliminated. African Mission Healthcare and AMH Kenya are collectively referred to as African Mission Healthcare Foundation dba African Mission Healthcare and Affiliate (AMH) in these consolidated financial statements.

**AFRICAN MISSION HEALTHCARE FOUNDATION
DBA AFRICAN MISSION HEALTHCARE
AND AFFILIATE**

Notes to Consolidated Financial Statements

December 31, 2023 and 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued:

CASH AND CASH EQUIVALENTS

Cash and cash equivalents consist of checking and savings accounts. As of December 31, 2023 and 2022, AMH has cash and cash equivalents on deposit with financial institutions that exceed the federally insured (FDIC) balance by approximately \$1,135,000 and \$14,500,000 respectively.

INVESTMENTS

Investments held by AMH as of December 31, 2023 and 2022, consist of money market accounts, treasury bills, and private investment funds. Investments in money market accounts are held at cost and investments in treasury bills are valued at level two of the fair value hierarchy. Investments in private equity are carried at the net asset value of the underlying investment. All investments with readily determinable fair values are recorded at fair market value. Unrealized gains or losses in fair value are recognized in the year in which they occur and reflected on the consolidated statement of activities. Interest income is recorded on the consolidated statement of activities when it is earned.

CONTRIBUTIONS AND OTHER RECEIVABLES

AMH records unconditional promises to give that are expected to be collected within one year at net realizable value. Unconditional promises to give expected to be collected in future years are initially recorded at fair value using present value techniques incorporating risk-adjusted discount rates designed to reflect the assumptions market participants would use in pricing the asset. In subsequent years, amortization of the discounts is included in contribution revenue in the consolidated statements of activities. AMH determines the allowance for uncollectable promises to give based on historical experience, an assessment of economic conditions, and a review of subsequent collections. Promises to give are written off when deemed uncollectable. There is no allowance for doubtful accounts at December 31, 2023 and 2022, as outstanding balances are considered fully collectible. Additionally, no discount has been recorded related to these pledges as the amount would not be material to the consolidated financial statements.

Amounts as of December 31, 2023, are due in:

Less than one year	\$ 2,665,638
One to three years	<u>468,062</u>
	<u><u>\$ 3,133,700</u></u>

**AFRICAN MISSION HEALTHCARE FOUNDATION
DBA AFRICAN MISSION HEALTHCARE
AND AFFILIATE**

Notes to Consolidated Financial Statements

December 31, 2023 and 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued:

CLOSED RESERVE FUND

AMH, with the support of an existing major donor, has established plans for the AMH "Closed Reserve Fund." Periodic donations made specifically to the Closed Reserve Fund will be invested in longer-term private equity and other non-traditional investments with greater potential for above market returns. The investments are selected by management with input and oversight by the AMH Investment Committee. Current plans are to invest and reinvest these funds for an extended period (e.g., the next twenty years) in an effort to build up substantial reserves for future program needs. The objectives for the Closed Reserve Fund and the nature of planned investments present substantial risks including reduced liquidity and increased volatility. Recognizing these related risks, only funds specifically donated for the inclusion in the Closed Reserve Fund are to be invested in this manner.

OPERATING LEASE – RIGHT-OF-USE ASSETS AND OBLIGATIONS

Some of AMH's contracts contain the right to control the use of property or assets and are therefore considered leases. AMH records right-of-use assets and lease obligations on the statements of financial position for the rights and obligations created by leases with initial terms of more than twelve months. AMH has elected to separate lease and non-lease components and to exclude leases with terms of less than 12 months.

LAND, FURNITURE, AND EQUIPMENT

AMH capitalizes land, furniture, and equipment purchases exceeding \$5,000 and expenses lesser amounts in the year purchased. Furniture and equipment are recorded at cost. Depreciation is computed on the straight-line method over the estimated useful lives ranging from 3-20 years. AMH furniture and equipment consists of medical equipment, vehicles, computers, and furniture.

GRANTS PAYABLE

Amounts become payable based on applicable conditions present in the agreements between AMH and partner hospitals or other organizations. Grants payable consist of amounts unconditionally owed and for which relevant conditions have been met under these agreements.

**AFRICAN MISSION HEALTHCARE FOUNDATION
DBA AFRICAN MISSION HEALTHCARE
AND AFFILIATE**

Notes to Consolidated Financial Statements

December 31, 2023 and 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued:

CLASSES OF NET ASSETS

The net assets of AMH are reported in the following classes:

Net assets without donor restrictions are those currently available at the discretion of the board for use in AMH's operations or support of AMH's partner hospitals or other organizations, as well as those resources currently invested in furniture and equipment.

Net assets with donor restrictions include resources restricted by donors primarily for the support of designated partner hospitals or other organizations, or for specified projects or programs.

SUPPORT AND REVENUE

Contributions are recorded when made, which may be when cash and other assets are received or when unconditionally promised. AMH reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the contributed amounts. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is satisfied, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. All contributions are considered available for use without donor restrictions unless specifically restricted by the donor.

Interest and other income is recognized when earned.

FUNCTIONAL ALLOCATION OF EXPENSES

The costs of providing program services and supporting activities have been summarized on a functional basis. Accordingly, certain costs relating to more than one function, such as payroll, travel, and facilities expenses, have been allocated among the program services, general and administrative, and fundraising activities benefited. Salaries are allocated based on the time and effort spent by each employee, and all other expenses are allocated based on the purpose of the expense.

**AFRICAN MISSION HEALTHCARE FOUNDATION
DBA AFRICAN MISSION HEALTHCARE
AND AFFILIATE**

Notes to Consolidated Financial Statements

December 31, 2023 and 2022

3. LIQUIDITY AND FUNDS AVAILABLE:

The following table reflects AMH's financial assets reduced by amounts not available for general use within one year, as of December 31, 2023 and 2022, respectively. Financial assets are considered unavailable when illiquid or not convertible to cash within one year.

	December 31,	
	2023	2022
Financial assets:		
Cash and cash equivalents	\$ 1,795,705	\$ 29,861,613
Investments	29,243,595	700,487
Contributions and other receivables–net	3,133,700	997,578
Cash – closed reserve fund	3,592,732	6,000,000
Financial assets, at year-end	37,765,732	37,559,678
Less those unavailable for general expenditures within one year, due to:		
Restrictions due to purpose and time	(15,120,327)	(19,036,723)
Contributions receivable not due within one year	(468,064)	(702,095)
Investments not expected to be liquidated within one year	(407,268)	(100,000)
Financial assets available within one year to meet cash needs for general expenditures	\$ 21,770,073	\$ 17,720,860

As part of AMH's liquidity management, it maintains a substantial portion of its assets in cash and cash equivalents to ensure that amounts are available to pay its program and other general expenditures, liabilities, and other obligations as they come due.

Of the \$21,865,394 of total financial assets available within one year, AMH expects that \$14,440,320 will be spent during 2024 for program, operating, and fundraising expenses. The remaining balance is held at management's discretion for future program needs and investments in operational and fundraising capabilities.

**AFRICAN MISSION HEALTHCARE FOUNDATION
DBA AFRICAN MISSION HEALTHCARE
AND AFFILIATE**

Notes to Consolidated Financial Statements

December 31, 2023 and 2022

3. LIQUIDITY AND FUNDS AVAILABLE, continued:

The balance of financial assets unavailable during 2024, restricted due to purpose and time, totaled \$15,120,327 and is held for the following purposes:

- \$3.5 million is held for investing in the closed reserve fund. Donors established the closed reserve fund support the long-term operations and programs of AMH.
- \$4.6 million is held for specific future program expenditures.

4. INVESTMENTS:

Investments as of December 31, 2023 and 2022, consist of:

	December 31,	
	2023	2022
Treasury bills	\$ 27,435,340	\$ -
Money market funds	1,400,987	600,487
Private investment funds - closed reserve fund	407,268	100,000
Total investments	\$ 29,243,595	\$ 700,487

**AFRICAN MISSION HEALTHCARE FOUNDATION
DBA AFRICAN MISSION HEALTHCARE
AND AFFILIATE**

Notes to Consolidated Financial Statements

December 31, 2023 and 2022

4. INVESTMENTS, continued:

AMH uses Net Asset Value (NAV) to determine the fair value for all private equity investments which (a) do not have a readily determinable fair value and (b) prepare their financial statements consistent with the measurement principles of an investment company or have attributes of an investment company. There were no investments in other investment companies (in partnership format) at December 31, 2023. The following table lists special investments by major category at December 31, 2023:

Investment Category	Strategy	Fair Value Determined Using NAV	\$ Amount of Unfunded Commitments	Timing to Draw Down Commitments	Redemption Terms	Redemption Restrictions in Place at Year End
Private Investment Fund	The Fund seeks to acquire and monetize business interruption insurance claims arising from the COVID-19 pandemic.	\$ -	\$ -	Drawn as-needed with a minimum of 10 business days' prior written notice.	Six years from the final closing. Fund manager has the option to extend for up to two, one-year periods.	During 2023, the Fund announced plans of dissolution. While AMH is still entitled to receive distributions from the ongoing activities of the fund, management believes significant distributions are unlikely and has written the fund down to zero as of December 31, 2023.

4. INVESTMENTS, continued:

Investment Category	Strategy	Fair Value Determined Using NAV	\$ Amount of Unfunded Commitments	Timing to Draw Down Commitments	Redemption Terms	Redemption Restrictions in Place at Year End
Private Investment Fund	The fund seeks to achieve superior risk-adjusted returns by providing senior, secured short-term bridge loans backed by real estate assets. Loans are made for smaller structures allowing a higher rate of interest.	258,199	-	Drawn as-needed with a minimum of 10 business days prior written notice.	<p>After the Lockup Period, Investors have the right to request Redemption. Redemption requests approved by the General Partner will generally be effective as of the last Business Day in March, June, September and December in accordance with Redemption request notice requirements. An Investor shall be required to provide the General Partner a 90-day written notice for any Redemption request. Redemption requests will be considered on a first come, first serve basis. Any Units purchased by Investors via the Reinvestment Option shall be considered, for purposes of any Redemption requests, to “tag along” with the original date of purchase of the Units for which the Reinvestment Units are associated.</p> <p>All of the above parameters notwithstanding, the General Partner will endeavor to manage the Partnership in such a manner as to be able to accommodate Redemption requests made after the Lockup Period as consistently as possible.</p>	Fund is illiquid and allows for requested redemptions.

5. OPERATING LEASES – RIGHT-OF-USE ASSETS AND OBLIGATIONS:

AMH leases office space under two operating leases expiring at various dates through 2025. The discount rate represents the risk-free discount rate using a period comparable with that of the individual lease term on the inception date of the lease. The leases require monthly payments ranging from \$1,575 to \$7,609. Discount rates on these leases range from 1.91% to 4.12%. Total expense incurred under the operating leases for the year ended December 31, 2023, was \$51,286.

	<u>December 31, 2023</u>
Operating lease right-of-use assets	\$ 61,722
Operating lease liabilities	\$ 61,081
Operating lease costs	\$ 51,286
Weighted-average discount rate	2.41%
Weighted-average remaining lease term	1.31 years

Future minimum lease payments required under the operating leases that have an initial or remaining lease terms in excess of one year are as follows:

<u>Year Ending December 31,</u>	
2024	\$ 46,133
2025	18,221
	<hr style="border-top: 1px solid black;"/>
	64,354
Less imputed interest	<hr style="border-top: 1px solid black;"/>
	(3,273)
	<hr style="border-top: 1px solid black;"/>
	\$ 61,081
